

G.I. JOE VEHICLE INVENTORY

Value & Missing Part Complete Tracker • Official English Resource

CHECK POINT ALPHA 1985

Border control security outpost outpost outpost with security checkpoint assets.

ACQUISITION DATE	CONDITION / GRADE	ESTIMATED VALUE (\$)	MISSING PARTS COUNT
_____	_____	_____	_____

GOT	QTY	PART NAME (OFFICIAL ENGLISH)	SPECIFIC IDENTIFICATION REFERENCE DETAILS
<input type="checkbox"/>	1	Guard Shack Base & Walls	Small tan security office booth framework.
<input type="checkbox"/>	1	Shack Roof Plate	Green flat roof cover snapping over the booth walls.
<input type="checkbox"/>	1	Pivoting Security Gate Arm	Long red-and-white striped barrier bar blocking entry.
<input type="checkbox"/>	1	Gate Counterweight Pod	Black bracket piece holding the gate arm onto the base post.
<input type="checkbox"/>	1	Searchlight Assembly	Small black spotlight spotlight snapped to the side roof rack.
<input type="checkbox"/>	1	Barbed Wire Fence Section	Separate grey plastic protective perimeter fence strip.

MISSING PART TRACKER & INSPECTION ALERT:

The long striped gate arm is highly fragile at the pivot point. The small barbed wire fence accessory is frequently missing from loose assortments.
