<b>TOTALS:</b>			\$.....	\$.....		

## 3. 1982 MMS MARKET VALUE REFERENCE GUIDE

Estimated market rates based on standard vintage action figure index benchmarks (2025/2026 data):

CONDITION TIER	INCLUSIONS & CRITERIA	ESTIMATED VALUE RANGE
<b>Incomplete / Salvage</b>	Chassis base only, missing missiles, broken hitch/legs, heavy sticker wear.	\$15 – \$30
<b>Complete (Loose)</b>	100% complete with all 3 original white missiles, uncut stabilizer tabs, functional wheels, good original stickers.	\$60 – \$95
<b>Complete with Blueprints</b>	Vehicle is 100% complete, plus the original 1982 Hasbro instruction/ blueprint sheet in crisp condition.	\$110 – \$150
<b>MIB / NIB (Boxed)</b>	Mint in box or original box included with intact inserts and minimal shelf wear. Specimen graded packages command higher.	\$250 – \$500+

## 4. RESTORATION NOTES & CONDITION LOG

Record cleaning techniques, plastic de-yellowing treatments (Hydrogen Peroxide/Retrobrite status), or sticker sheet replacements used.
