Mud-camo dirt-track close air support ground attack plane.

ACQUISITION DATE	CONDITION / GRADE	ESTIMATED VALUE (\$)	MISSING PARTS COUNT

GOT	QTY	PART NAME (OFFICIAL ENGLISH)	SPECIFIC IDENTIFICATION REFERENCE DETAILS
☐	1	Mudfighter Camouflage Fuselage	Mottled brown/green attack aircraft body frame.
☐	1	Six-Barrel Revolving Bomb Rack	Circular rotary bomb dispenser mounted under the fuselage.
☐	6	Mudfighter Cluster Bombs	Small individual bombs loaded into the revolving cylinder.
☐	1	Canopy Cockpit Lid	Clear smoke-tinted plastic window screen panel.

MISSING PART TRACKER & INSPECTION ALERT:

The internal indexing tab that allows the bomb cylinder to rotate with a clicking sound wears down, causing the bomb wheel to spin completely loosely.
