

G.I. JOE VEHICLE INVENTORY

Value & Missing Part Complete Tracker • Official English Resource

COASTAL DEFENDER 1987

Battlefield mini-playset anti-ship missile launcher station.

ACQUISITION DATE	CONDITION / GRADE	ESTIMATED VALUE (\$)	MISSING PARTS COUNT

GOT	QTY	PART NAME (OFFICIAL ENGLISH)	SPECIFIC IDENTIFICATION REFERENCE DETAILS
☐	1	Fortified Sandbag Base Wall	Tan textured protective barrier with interlocking floor hooks.
☐	1	Dual Missile Launcher Box	Large green pod chamber that holds and elevates the payload ordnance.
☐	2	Heavy Coastal Missiles	Large white or gray surface-to-ship missiles.
☐	1	Command Control Console	Small diagnostic terminal sticking into the bunker deck plate.

MISSING PART TRACKER & INSPECTION ALERT:

The interlocking plastic floor hooks on the tan base wall snap off cleanly if stepped on or forced into other base plates.
