

G.I. JOE VEHICLE INVENTORY

Value & Missing Part Complete Tracker • Official English Resource

G.I. JOE HOVERCRAFT (WHALE REPAINT / TIGER SHARK)

1989

Reissued/modified heavy aquatic tactical hovercraft variant.

ACQUISITION DATE	CONDITION / GRADE	ESTIMATED VALUE (\$)	MISSING PARTS COUNT

GOT	QTY	PART NAME (OFFICIAL ENGLISH)	SPECIFIC IDENTIFICATION REFERENCE DETAILS
☐	1	Hovercraft Massive Main Hull	Large multi-tonnage aquatic transport body.
☐	2	Rear Propulsion Fan Cages	Twin circular protective safety housings over the fan blades.
☐	2	Propulsion Fan Blades	Multi-blade fan inserts operating inside the rear shrouds.
☐	2	Front Opening Hatch Doors	Left and right bow entry gates for launching smaller vehicles.
☐	4	Depth Charge Payload Pods	Small rolling tactical canisters slotted onto the stern deck.

MISSING PART TRACKER & INSPECTION ALERT:
Like the original 1984 Killer WHALE, the small vertical fan vanes inside the rear shrouds and the tiny tabs on the depth charge release mechanism break constantly.
