

G.I. JOE VEHICLE INVENTORY

Value & Missing Part Complete Tracker • Official English Resource

DREADNOK AIR SKIFF 1987

Swamp-skimming single-trooper fan-propelled boat.

ACQUISITION DATE	CONDITION / GRADE	ESTIMATED VALUE (\$)	MISSING PARTS COUNT

GOT	QTY	PART NAME (OFFICIAL ENGLISH)	SPECIFIC IDENTIFICATION REFERENCE DETAILS
☐	1	Air Skiff Metallic Hull	Green/bronze specialized swamp boat frame.
☐	1	Rear Propulsion Fan Cage	Large circular safety cage housing the fan blade.
☐	1	Internal Fan Blade	Multi-blade fan snapping into the rear housing.
☐	2	Front Twin Blaster Machine Guns	Small weapon barrels clipping onto the bow sides.

MISSING PART TRACKER & INSPECTION ALERT:
The rear fan cage is made of thin lattice plastic that cracks or splinters easily if the vehicle is dropped on its tail.
