ACQUISITION DATE	CONDITION / GRADE	ESTIMATED VALUE (\$)	MISSING PARTS COUNT
_____	_____	_____	_____

GOT	QTY	PART NAME (OFFICIAL ENGLISH)	SPECIFIC IDENTIFICATION REFERENCE DETAILS
<input type="checkbox"/>	1	<b>Flatbed Trailer Chassis</b>	Tan or green multi-wheeled cargo hauling frame.
<input type="checkbox"/>	2	<b>Heavy Anti-Aircraft Cannons</b>	Large linked defensive weapon barrels swiveling on the mount.
<input type="checkbox"/>	1	<b>Weapon Mount Turret Ring</b>	Central base structure allowing full 360 rotation of the payload.
<input type="checkbox"/>	2	<b>Removable Support Jacks</b>	Small stabilizing legs dropped down when unhitched from vehicles.
<input type="checkbox"/>	2	<b>Missile Storage Racks</b>	Side compartments designed to secure loose backup ammunition.

### MISSING PART TRACKER & INSPECTION ALERT:

Check the plastic hitch loop at the front of the trailer. If it has been pulled too hard by a towing vehicle, it is usually cracked or entirely missing.
