

DREADNOK BATTLE AXE

Ground Unit

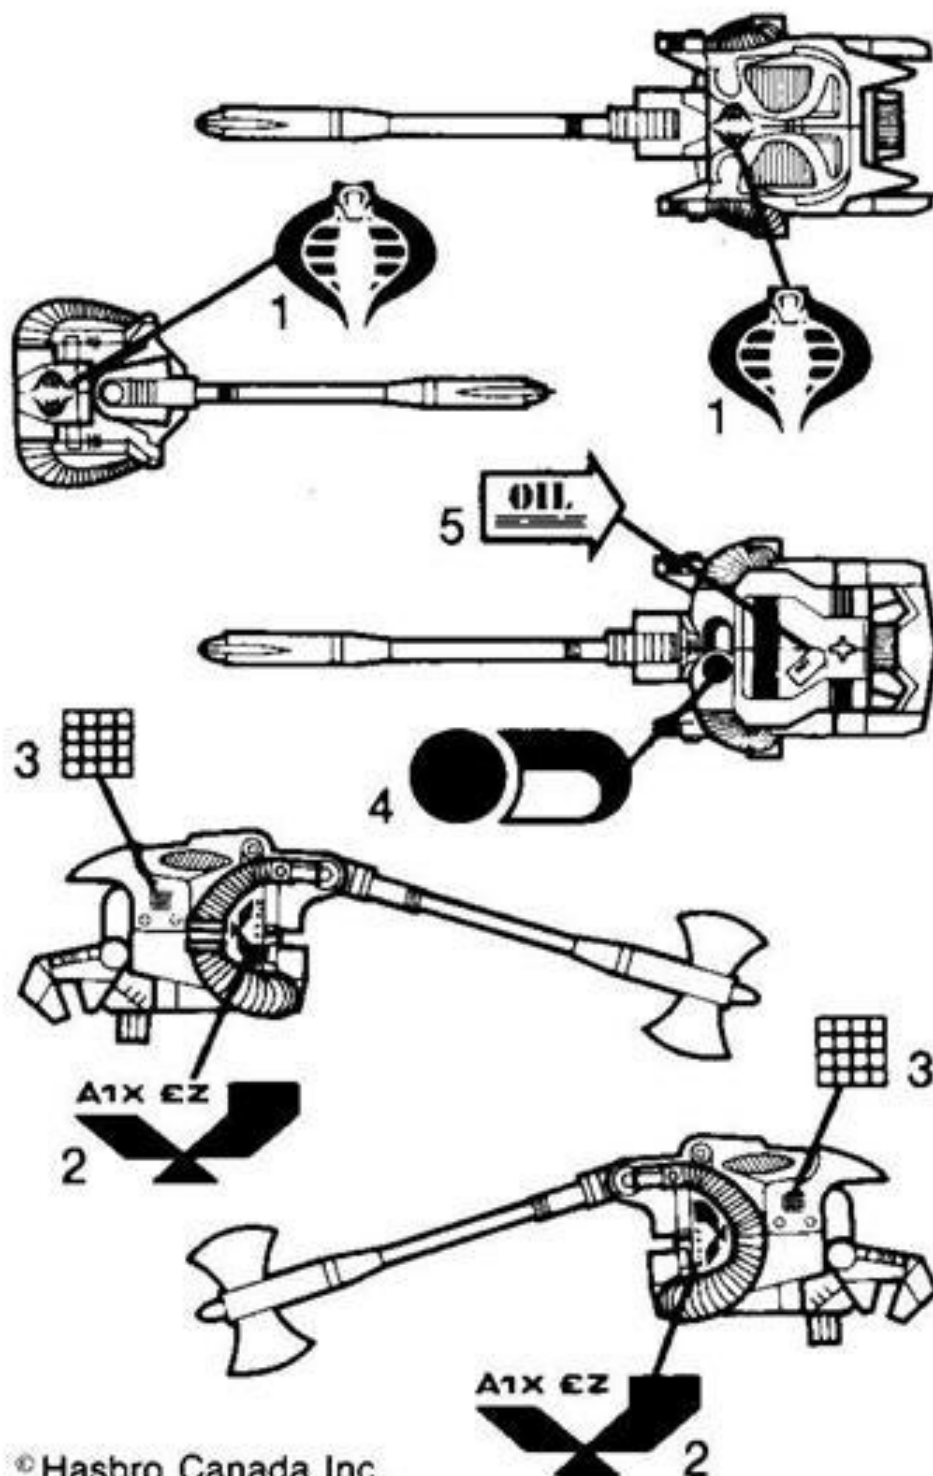

Insert axe into handle holder on top of backpack. Pull out stabilizing bar. Wind crank about 5 times. (Do not overwind.) Activate ON/OFF switch for battle axe to hack through G.I. Joe barbed wire defenses!

Backpack

Flip over stabilizing bar to rear of backpack. Fit backpack post into Joe's back and bend at the waist to stand figure. Activate battle axe in backpack mode, too! (Figure sold separately.)

Peel and apply labels as shown.
