CONQUEST X-30 1986

Forward-swept wing tactical air-superiority fighter jet.

ACQUISITION DATE	CONDITION / GRADE	ESTIMATED VALUE (\$)	MISSING PARTS COUNT

GOT	QTY	PART NAME (OFFICIAL ENGLISH)	SPECIFIC IDENTIFICATION REFERENCE DETAILS
☐	1	Main Jet Fuselage Core	Light grey sleek aerodynamic body frame with forward-swept wing slots.
☐	1	Yellow Tinted Canopy Glass	Translucent yellow clear pilot windshield hatch locking over the cockpit.
☐	2	Removable Engine Panels	Left and right upper maintenance access hatches covering the engine bay.
☐	2	Vertical Tail Stabilizers	Dual twin tail fins snapping into the rear fuselage deck alignment tabs.
☐	2	Underwing Drop Tanks	Long grey fuel/payload reserve pods clipped under the main wings.
☐	4	Air-to-Air AIM Missiles	Four small distinct tracking missiles mounted on the outer wing racks.
☐	1	Nose Cannon Tip Gun	Black machine gun nozzle attachment completing the forward nose cone tip.

MISSING PART TRACKER & INSPECTION ALERT:

The thin tabs holding the vertical tail stabilizers down snap easily if forced sideways. The yellow canopy glass is highly susceptible to deep scratch marks.
