G.I. JOE PERSUADER

1987

High-speed multi-wheeled laser artillery tank.

ACQUISITION DATE	CONDITION / GRADE	ESTIMATED VALUE (\$)	MISSING PARTS COUNT

GOT	QTY	PART NAME (OFFICIAL ENGLISH)	SPECIFIC IDENTIFICATION REFERENCE DETAILS
☐	1	Persuader Low-Profile Hull	Olive-drab green sleek armored rolling body.
☐	1	Elevating Laser Cannon Array	Large multi-barrel central energy weapon system.
☐	2	Side Laser Battery Pods	Left and right small auxiliary blaster banks.
☐	8	Heavy Plastic Drive Wheels	Eight independent rugged rolling terrain wheels.

MISSING PART TRACKER & INSPECTION ALERT:
The central elevating arm for the main laser cannon uses small plastic friction notches to stay upright; these wear down smoothly over time, causing the gun to sag.
