

G.I. JOE VEHICLE INVENTORY

Value & Missing Part Complete Tracker • Official English Resource

TRI-BLASTER

1989

Compact tri-pod field defense station with three linked laser barrels.

ACQUISITION DATE	CONDITION / GRADE	ESTIMATED VALUE (\$)	MISSING PARTS COUNT

GOT	QTY	PART NAME (OFFICIAL ENGLISH)	SPECIFIC IDENTIFICATION REFERENCE DETAILS
☐	1	Tri-Blaster Base Stand	Small green or tan three-legged field support frame.
☐	1	Linked Triple-Laser Module	Weapon block containing three parallel blaster barrels.
☐	1	Energy Conductor Lead Wire	Small flexible power connector cable linking gun to stand.

MISSING PART TRACKER & INSPECTION ALERT:
The small flexible lead wire is often dry-rotted or snapped completely out of its socket holes on loose figures.
