| GOT                      | QTY | PART NAME (OFFICIAL ENGLISH) | SPECIFIC IDENTIFICATION REFERENCE DETAILS                                   |
|--------------------------|-----|------------------------------|-----------------------------------------------------------------------------|
| <input type="checkbox"/> | 1   | Jet Pack Thrust Frame        | Small black or dark blue aerodynamic backpack frame assembly.               |
| <input type="checkbox"/> | 2   | Dual Thrust Exhaust Nozzles  | Small pivotable propulsion jets mounting to the bottom corners.             |
| <input type="checkbox"/> | 2   | Control Steering Handles     | Left and right thin steering bars extending forward for the figure to grip. |

**MISSING PART TRACKER & INSPECTION ALERT:**

Often confused with the 1982 JUMP jet pack or the Cobra Claw. The thin steering handle bars are the prime break points.
