Custom heavily-armed chopper motorcycle with sidecar armor.

ACQUISITION DATE	CONDITION / GRADE	ESTIMATED VALUE (\$)	MISSING PARTS COUNT

GOT	QTY	PART NAME (OFFICIAL ENGLISH)	SPECIFIC IDENTIFICATION REFERENCE DETAILS
☐	1	Main Chopper Bike Frame	Dark metallic heavy motorcycle body.
☐	1	Front Extended Fork & Wheel	Elongated steering fork assembly with front tire.
☐	1	Detachable Weapon Sidecar	Side combat passenger pod frame.
☐	1	Sidecar Gatling Cannon	Heavy machine gun mounting onto the sidecar rim.

MISSING PART TRACKER & INSPECTION ALERT:
The connection pin that locks the sidecar to the main motorcycle frame is notoriously thin and breaks off inside the bike's receiver hole.
